

The Wilmette Clock!

Coming in May!

Dick Davis has been very generous to the Wilmette Arts Guild because of our famous Newsletter. To help the economy of his favorite village Zacatlan, Mexico, and to benefit his favorite village in the United States, Wilmette, he is giving the Wilmette Junior High School this fabulous monumental clock. A similar one is in the Exploratorium in San Francisco another in The World of Wonders in Lodi, California. The Wilmette Clock will be prominently displayed for all to see at the Wilmette Recreation Center from this May until the Fall of 2010.
